

Go Run Fitness Program

The group meets right after school until 4:30pm beginning in March of each school year and runs until our SK5K in May. All grade levels are eligible to join. This fun program prepares our students for the SK5K with wellness education and fun warm ups before heading over to the Radnor Middle School track to run laps!

We look forward to another season of Go Run! Registration forms and schedules will be posted after January 2018.

Volunteers are crucial to the success of the program - please consider lending us a hand each week. We provide free babysitting for younger siblings for our parent volunteers!
